| Preface | 5 |
| Acknowledgements | 6 |
| Extended summary | 7 |
| Key findings | 11 |
| PART 1: General part | 12 |
| 1.1. About the project | 12 |
| 1.1.1. Background | 12 |
| 1.1.2. Aims | 12 |
| 1.1.3. Process | 12 |
| 1.1.4. Evaluation of results | 16 |
| 1.2. Indigenous population of the NAO | 18 |
| 1.2.1. General | 18 |
| 1.2.2. The situation for traditional modes of livelihood in the NAO | 19 |
| 1.2.3. Relevant laws and regulations | 26 |
| 1.2.4. Traditional land use management in the NAO | 31 |
| 1.2.5. NAO legislation – a legal instrument for solving the problems of Northern indigenous peoples | 34 |
| 1.3. Oil-and-gas development in relation to indigenous peoples in the NAO | 41 |
| 1.3.1. The development of hydrocarbon installations in the NAO | 41 |
| 1.3.2. Effects of industrial activities on the environment reported by scientists and authorities | 42 |
| 1.3.3. Analysis of license documents | 43 |
| 1.3.4. Attitude of oil companies towards indigenous peoples | 47 |
| 1.4. The questionnaire survey and its results | 51 |
| 1.4.1. Methods of data acquisition | 51 |
| 1.4.2. The study area | 56 |
| 1.4.3. Socio-economic situation and traditional nature use | 56 |
| 1.4.4. Attitude of oil companies towards indigenous peoples | 64 |
| 1.4.5. Effects of oil- and gas-related activities on traditional modes of livelihood | 65 |
| 1.5. The MODIL-NAO data interpreted in light of security | 74 |
| 1.6. Outlook | 79 |
| 1.6.1. A pilot study for other areas? | 79 |
| 1.6.2. Recommendations to stake-holders | 80 |
| 1.7. Further reading | 81 |
| PART 2: Data | 87 |
| 2.1. General maps (entire NAO) | 87 |
| 2.2. Maps of areas covered by questionnaire survey | 104 |
| 2.3. Maps of oil development areas | 113 |
| 2.4. Statistical tables | 119 |
| 2.4.1. Settlements | 119 |
| 2.4.2. Abandoned settlements | 128 |
| 2.4.3. Population, 2004 | 134 |
| 2.4.4. Population, 2008 | 135 |
| 2.4.5. Cooperatives and clan communities involved in traditional economies | 136 |
| 2.4.6. Reindeer husbandry development | 137 |
| 2.4.7. Protected areas | 138 |
| 2.4.8. Licenses for users of subsoil resources | 140 |
| APPENDICES | 142 |
| A-1. Questionnaire | 142 |
| A-2. Legislation related to oil-and-gas development and indigenous peoples | 149 |
| A-3. GIS database | 162 |
| A-3.1. General description | 162 |
| A-3.2. Dataset descriptions | 16 |
